SAND NOT RECOMMENDED

FEATURES

- » Commercial unit featuring H.D. construction
- » Natural latex gloves with gauntlets, come with replaceable plastic protector
- » Adjustable regulator for abrasive flow
- » Built in Vacuum dust control
- » 5/16" ceramic blasting nozzle
- » Window: 14"x 22"
- » Door Opening: 20" x 29"
- » Overall dimension: D 26" x L 36" x H 67"
- » Interior: 26"x36"x30"
- » Pre-wired

Blast Media: **BC-0400 - 30-40 Grit Glass Bead**

A popular media used primarily for dimensionally sensitive applications where tolerance and finish are your main concerns. Perfect for removing medium to light contamination without causing dimensional change, over-stressing, imbedding or pitting. Used widely by automotive rebuilders, die and mould makers on the plating and aerospace industries.

QUALITY • PERFORMANCE • LONGEVITY
