Introducing **NEW** toolbag outfits from Harris

TOOLBAG FEATURES

- Heavy-duty, weather-proof ballistic nylon tool bag
- Double stitched straps with Velcro® closure utilized in box design for easy carrying
- 4 non-skid feet
- 2 storage pockets with heavy duty Velcro®
- Heavy gauge wire in top of bag with hinge closure
- Embroidered Harris logo
- Compact box design (14.25w x 10.5h x 8.75d) to maximize valuable shelf space

EQUIPMENT FEATURES

- All outfit components are industrial grade for professional use.
- Cutting attachments feature solid forged heads that resist flashback damage, triangular stainless steel tubes with brazed connections for added strength, solid brass forged levers for quick handle connection and a lock ring that secures torch nut in place to protect connector from damage.
- Torch handles feature silver-brazed, twin-tube construction for safety and durability and easily replaceable Flashguard® checkvalves.
- All regulators are equipped with an encapsulated teflon seat for safety and extended service life and are made in the USA.
- Two-piece tips are easy to clean and produce higher preheats, One-piece tips are manufactured with beryllium copper to withstand higher heat with no damage to the tip.
- Mixers fit tip sizes 0-10 and are designed with lock ring to protect mixer seat from damage.
- Welding goggles are designed to accommodate prescription eyewear and take universal 2 x 4 ¼ replacement lenses.
- Instruction manual included with all outfits.
