

Why Shinn Fu?

Shinn Fu is a multi-national company that takes pride in being the premier manufacturer of PROFESSIONAL lifting jacks.

10 reasons you can trust Shinn Fu for your lifting requirements:

1. Competitive pricing - excellent value in all product offerings
2. All equipment meets rigid ANSI requirements
3. Regional warehouses with large inventory available
4. Best hassle free warranty in the industry
5. Comprehensive owners manuals & toll free technical support
6. Nationwide service network with product experience
7. Most recognized brands in the lifting marketplace
8. We hold patents to many widely accepted features in all jacks
9. Worldwide sales and support from a global manufacturer
10. Most diverse product offering in the marketplace

Why we are the leader:

Magic Lift

- this feature allows for rapid lift to the load, often with only one or two pumps to touch. Saves time and operator effort to lift vehicle.
- feature now found on ratchet type vehicle stands, speeds deployment.
- also known as Fast Lift or Quick Lift under our brands

Unique items

- Omega 21032 - 3 ton air/hydraulic jack is the only one of its kind in the marketplace.
- Omega 29023 2 ton long reach, low profile jack facilitates easy lifting of vehicles with ground effects packages, high end luxury sports cars.
- Banner B6350 3.5 ton Fast Lift Jack has all the features of jacks double its cost. Extra features are included with no extra additional cost.
- T-5300, T-5350 & T-5500 hydraulic lawn mower jacks demonstrate our commitment to innovating new products.
