

IT CAN GET TECHNICAL UNDER THE HOOD
SO GET WITH THE PROGRAM

iFlash!™

Validated by **Acura® / AUDI® / Chrysler® / Ford® / Honda®**
/ Hyundai® / Toyota® / Volkswagen® / Lamborghini®

Programming for the variety of automotive computer modules doesn't have to be coding science.

Blue Streak Electronics® award winning **iFlash®** software for J2534 Global Programmer gives you the edge to show that tech who's boss.
